Season Celebration

BAY BISTRO

When was the last time you ventured down to Fisherman's Wharf? We know—Fisherman's Wharf? Why? Set aside those apprehensions and head down to *Bistro Boudin*. In December, Dungeness crab season is in full gear, so it's the perfect time to sample chef **Misael**

Reyes's crab specialties. Not to be missed: weekday "Happy Hour." Where else can you get a six-dollar martini with panoramic Bay views?
